

Posting of Scores to MSGA Handicap System

The active golf season for the Mid-Atlantic region begins on March 15 and ends on November 15. Since the Fox Hollow Men's Golf Club is a sanctioned USGA club, all scores for rounds that you play during the active golf season must be posted in the handicap system to compute accurate handicaps. The FHMGC Tournament Directors will post all scores from rounds played at scheduled Fox Hollow Tournaments. Every member is responsible for posting scores for rounds played outside of the scheduled Fox Hollow tournaments. Please contact the FHMGC Chairman (found on the FHMGC website) if you do not have a username and password, if your current MSGA credentials do not function as expected to log into the [MSGA Handicap System](#), or if you have any questions about the handicap system. Your official handicap index is updated on the first and fifteenth of every month from March through November. Click on the [FHMGC Handicap Report](#) to view the USGA handicap indexes of our members. Click on the [MSGA Handicap System](#) to log into the MSGA Handicap System.
