Join the Fun at an MSGA One-Day Event

Play Days are one-day tournaments for men and women golfers of all ages and abilities. Cart and range fees are included, and net and gross prizes are awarded to the top finishers. Entry is open to *any* amateur golfer who has a current USGA handicap index at an MSGA member club, and also to non-members for an increased fee (non-members are not eligible for prizes). **The next Play Day will be held at Rolling Road Golf Club on Thursday, May 22.**

One of our members played at one of these events in April at the Towson Golf & CC and place 2nd winning \$225. Playing in these MSGA events is a great deal. You play at a country club for about what you pay at Fox Hollow and the prizes are top notch. Take a look at their website to look at this year's schedule and take advantage of some great events.

See our entry form for full details. If you are interested in participating, but do not have a partner, contact the MSGA and we will try to pair you with another individual player.

Posting of Scores to Handicap System

The active golf season for the Mid-Atlantic region begins on March 15 and ends on November 15. Since the Fox Hollow Men's Golf Club is a sanctioned USGA club, all scores for rounds that you play during the active golf season must be posted in the handicap system to compute accurate handicaps. The FHMGC Tournament Directors will post all scores from rounds played at scheduled Fox Hollow Tournaments. Every member is responsible for posting scores for rounds played outside of the scheduled Fox Hollow tournaments. The MSGA changed the handicap system effective October 2012. Please contact me at johnwoodgolf@gmail.com if you do not have a username and password, your current credentials do not function as expected to log into the [MSGA Handicap System](#), or you have any questions about the handicap system. Your official handicap is updated on the first and fifteenth of every month from March 15 through November 15. Click on [FHMGC Handicap Report](#) to view the USGA handicap index for our members.

Registering to Play in Tournaments

Please contact the tournament directors with any last minute sign-ups or changes. Remember to submit any special requests when signing up for any of the tournaments.

Blindfolded: An Episodic Account of America's First Golfing Genius

By R.N.A. Smith

A century before Tiger Woods' breakdown, the best golfer in America was embroiled in an equally corrosive "secret life". However the truth of this man's hidden shame stayed out of the press for decades after his shocking demise. Proceeding from facts known of the player in question, as well as his clan, this historical novel conjectures several unreported melodramas that engulfed that family of immigrant Scots – beyond the trials of its central character. Their collective miseries are spellbinding; their triumphs, tragic, and their strains to cleanse the stains of sin, haunting. As for their golfing, be prepared for an amalgam of wondrous and excruciating play.
