He fired an impressive 81 (Net 63) to capture low gross and collect \$25.00 in earnings. As a result of Chad's super round, he also fell victim to the new World Handicap System's "exceptional round" restrictions. After posting yesterday's round, Chad's index dropped from 21.7 to 16.4. Well Done, Chad!

A big thank you to Jay Weinstein (Tournament Director), John Kohler and Tom Hornbeck for their superb efforts in putting together Saturday's event and ensuring good fun was had by all.

Our next event is the President's Cup, which is on July 11<sup>th</sup>. Please visit our website for more details.
